

GEORGIANA MOLLOY ANGLICAN SCHOOL

Dear Parents and Carers,

Following the continued success of the Early Childhood Booklist system, GMAS will continue its cost/time saving initiative where all books and stationery for Early Childhood classes will be supplied in bulk, by the school. This will mean continued savings for parents and the school, as we purchase supplies at a discounted price in bulk. Teachers have been very happy with the ordering system as they get exactly the supplies they need, when they need them.

GMAS staff have ordered quality products for your children and saved on storage. Bulk supplies were delivered at intervals throughout the year, which cut down wastage and has allowed us to track the use of all purchases.

Class teachers will, once again, distribute supplies to students during the first week of the new school year. GMAS will continue purchasing all stationery items, books and folders, and hygiene supplies, (tissues, paper towel, sunscreen). The only items parents are required to purchase for the school year can be purchased from the GMAS Uniform Shop. These are listed on the following page.

The school resource levy for Kindy – Year 2 has been increased to cover these costs, however there will still be significant savings to parents by not having to purchase items on the booklist.

We are very pleased to be able to offer this service to our Early Childhood families and look forward to sharing the benefits with you.

Any queries about our booklist system can be directed to kca@gmas.wa.edu.au

Yours sincerely

Mr. Ted Kosicki
