A MESSAGE FROM THE PRINCIPAL

Our school has a high expectation of dress standard as each and every time a member of the school community wears their uniform they represent the whole school community and as such need to wear it with care and pride.

All items of school uniform need to be in a good state of repair, pressed, fit properly and remain free of holes or tears and not be stretched, laddered or out of shape.

Shoes are to be well polished.

We thank you in advance for your support of the schools uniform guidelines and look forward to seeing the students well presented on a daily basis.

With good wishes,

Mr Ted Kosicki
