GEORGIANA MOLLOY ANGLICAN SCHOOL

The Future Starts Here

As an Anglican co-educational day school for students from Pre-Kindergarten to Year 12, Georgiana Molloy Anglican School (GMAS) values the unique potential of each student. Under our care, we believe in offering a supportive and caring learning environment as well as a diverse curriculum that inspires each individual to follow their passion.

Our varied co-curricular opportunities in art, academia, sport and music encourage our students to discover new interests, work with others in a range of environments, acquire their leadership style and broaden their relationships beyond their immediate peers.

Scholarships at GMAS

Each year, we offer a range of scholarships to students who display talent in a variety of areas including, but not restricted to, academic achievement, the arts, leadership, physical ability and service to the community.

These are students who will benefit substantially by attending GMAS, and who in turn will make a contribution to the holistic life of the School.

All scholarship holders are expected to display ongoing sustained commitment to their studies and to take a full and constructive part in the life of the School in the areas of their interests, aptitudes and abilities, and at all times following the GMAS Student Code of Conduct.
