

# Music Tutor - Angela Slee

My name is Angela Slee and I am one of the Piano Tutors here at Georgiana Molloy Anglican School.

I attained my Grade 8 AMEB Practical and have completed Grade 5 AMEB theory and have had a successful home studio for the past 30 years. I have also spent 15 years teaching at another local high school before starting here at GMAS for the past 8 years.

I chose to focus on a fun learning environment and ensuring your child leaves being able to 'read' music so then they easily go and have fun with another instrument if they choose.

There are quite a number of piano resources out there. I mainly use the Bastien and Alfred series as the books have colour images throughout and also have excellent tools for learning so you can self-learn to a degree, with guidance from your piano teacher. I also use a lot of material from Daniel McFarlane, a young Australian composer, and I have found that students love his pieces.

GMAS is incredibly lucky to have such a vast array of instrumental tutors able to impart their knowledge and prowess to the students of this school. Learning any instrument is incredibly beneficial for brain development and physical coordination so thank you for being able to offer your cherub this wonderful opportunity.

I spell music F - U - N and I strive to ensure that lessons are relaxed enough to be productive whilst ensuring your child is enjoying learning at their own pace and progressing steadily.
