WELCOME

WELCOME TO THE WONDERFUL WORLD OF MUSIC AT GMAS. OVER THE PAST 20 YEARS WE HAVE DEVELOPED A STRONG MUSIC PROGRAM WHERE YOUR CHILD CAN FULLY IMMERSE THEMSELVES IN A NURTURING MUSICAL ENVIRONMENT FROM PRE-PRIMARY TO YEAR 12. WE FOCUS ON QUALITY OF EDUCATION, PROVIDING A FUN PERFORMANCE-DRIVEN PROGRAM WITH THE AIM OF GIVING ALL STUDENTS A LOVE OF PERFORMING.

We are most fortunate to have wonderful music staff here at GMAS as well as experienced and qualified peripatetic music tutors that come to teach here on campus each week. In addition to instrumental music lessons, we offer a comprehensive range of music ensembles from choir to rock bands, and orchestras to jazz bands.

This booklet will show you the depth and range of our music program, and what we can offer your child.

Our past experience shows us that the happiest and most successful students are those that take up as many musical opportunities as they can whilst here at GMAS.

Students often build strong friendships through a shared love of music that extends beyond their schooling years.

We hope we can help you and your child discover the joys of Music and explore the exciting world it brings.

PRIMARY SCHOOL MUSIC

CLASSROOM EDUCATION, MUSIC
PROGRAMS AND ENSEMBLES

GMAS Primary School offers a strong foundational education in Music. Each week students receive a music class lesson based on the Kodaly method, combined with a colourful introduction to rhythmical and movement-based programs. They sing each week and develop a strong connection with their 'inner ear' so that by secondary school students have confident pitch and rhythmic skills. Their love of music is also fostered in these early years through a fun and imaginative exploration of the history of music.

In addition to classroom education, students are offered these free additional music programs and ensembles:

Year 2 String Program

Free instrument hire and a weekly group lesson introducing students to playing a string instrument and taking part in their first music ensemble.

Year 4 Band Program

Free instrument hire and a weekly group lesson introducing students to band instruments and playing in a large band.

Showstoppers Choir (Year 3-6)

Weekly rehearsals with Mrs Thompson, singing fun contemporary repertoire, with several performances at school and in the community each year.

In addition to the ATAR music pathway, GMAS offers VET music certificate II & III to cater for the growing demand in tertiary opportunities and beyond. Please contact Mr Watts with any queries regarding Secondary Music courses

PRIVATE INSTRUMENTAL MUSIC LESSON PROGRAM

GMAS offers the opportunity for students to take private individual music lessons whilst on campus with peripatetic music tutors. We are very fortunate to have a strong team of music tutors that have great experience and expertise in their specialist areas.

All students learning a musical instrument through the school are expected to participate in at least one ensemble suitable to their instrument or voice. see [LINK](#)

Enrolment and fees

Applications for music lessons are made online via the [GMAS website](#) and parents are charged by the tutor direct.

Lesson times are for 30 minutes and are rotated each week by the hour so students do not miss the same class subject more than twice a term. Tutors will email term lesson timetables at the beginning of each term.

Tuition fees are set by the tutor, and parents will be invoiced by tutors for each term:

Term 1 - 9 lessons

Term 2 - 9 lessons

Term 3 - 9 lesson

Term 4 - 6 lessons

(Year 12 students will finish lessons at the conclusion of Term 3 unless other arrangements are made with the Instrumental tutor)

Lesson Absences

If your child forgets to attend their lesson, the tutor will inform you that day by text or email. You will be charged for that lesson unless:

- In case of illness, the tutor has been notified before 7.30am that day
- In case of excursion/test/school event, the tutor has been notified 2 days prior
- In case of family holidays taken during term time, no lesson will be rescheduled

Cancellation of Music Lessons

You are required to commit to lessons for a term at a time and should advise the tutor and the Director of Music by the end of the term if you wish to no longer continue tuition for the following term.

Scholarships - St Mary's

Weekly rehearsals with Mr Watts singing Church repertoire, with monthly performances at St Marys Church. This is by audition entry only and recipients receive financial support towards music lesson fees.
