#### MUSIC LESSON PROCEDURES:

1. 30 Minute lessons take place within school hours on a rotating basis.
2. Shared lessons are only offered if students of similar ability can be grouped together.
3. Parents and students need to be aware that the entire term's fee is payable whether the lessons are attended or not as the student occupies one place in the Instrumental Program.
4. When adequate notice is given regarding absences as outlined below, and where possible, the tutor will endeavor to make-up missed lessons.
5. If your child is going to miss a lesson due to a test, exam or excursion, the tutor needs to be advised at least 2 days prior to the lesson so that alternate arrangements can be made if possible.
6. Secondary school students are expected to remember to attend lessons and will be given the term's lesson schedule at the commencement of each term. If your child forgets to attend the scheduled lesson, the tutor will advise the parent and student by email that day. No lesson will be made up unless the tutor can accommodate this at the end of the term.
7. If your child is unwell on the day of the lesson, please advise the tutor by 7.30am. Your tutor will supply you with contact details at the commencement of lessons.
8. Students missing shared lessons will not have those made-up as the lesson will still be taught to the other student who is present at school.
9. Tutors will re-schedule lessons if they conflict with calendared events, camps and whole school events such as Inter house Athletics Carnivals.

10. Tutors are not obligated to reschedule lessons when the student is absent due to private family holidays taken during term time.
11. If the teacher is absent and the lesson cannot be rescheduled, a credit will be given.
12. Parents and students should be aware that for adequate progress to be made, there needs to be a commitment to practice regularly at least 4 days each week. Your tutor can give more specific advice in this area.
13. Only one instrument is recommended to be studied during school time due to interruption to class learning.
14. As part of the GMAS Instrumental Music Lesson program, students in Years 3-12 are to join at least one of the below Arts co-curricular ensembles. These are free of charge and strongly compliment your child's musical education. Ensembles meet once a week and most take place before school. There is an expectation that your child participates in at least one of these ensembles if they are in Year 3 and above. Please contact the Director of Music Mrs Kate Telchadder with any queries.
