

GEORGIANA MOLLOY ANGLICAN SCHOOL

Student Uniform Guidelines

Est. 2003

When GMAS students wear the School Uniform, they are showing the community they represent our values:

The School Uniform Guidelines have been developed in consultation with members of the School Community, including students. The school uniform plays an important part in supporting the Schools' values and in establishing a sense of belonging. We aim for the uniform to be contemporary, inclusive and comfortable along with providing a positive Georgiana Molloy Anglican School community identity that supports students in understanding appropriate guidelines.

Acceptance of enrolment at Georgiana Molloy Anglican School assumes an agreement between the parent/guardian and the student, that the student will dress in accordance with the school's uniform guidelines. Students are required to wear the school uniform during the school day, including to and from school and on school sanctioned tours, excursions or activities, as required. Every student is expected to meet the uniform standards in the same way that they are encouraged to engage in the expectations regarding classroom behaviour and attendance.

If uniform expectations cannot be met on a specific day, parents are required to email their child's Class Teacher, House Group Teacher and/or Head of House, prior to the start of the school day.

The Uniform Shop is open every **Tuesday and Thursday** during term time, between **8.15am and 4.15pm** (closed for lunch 11.30am to 12.30pm).

During school holidays the Uniform Shop may open to accommodate any purchases required before the start of the new term. Opening times will be advertised on the school website.

Walk-ins are welcome during opening hours. Appointments can be made by emailing gmas@oneworlduniforms.com.au or calling **9752 5204**.

There are a small number of non-uniform items that are required to be purchased by families, such as the GMAS backbag, library bag and sports bag. The Uniform Shop will be able to advise what is required, depending on the student year level. There are a range of optional items that can be purchased from the Uniform Shop. These include the GMAS duffel bag, umbrella, scarf and hair accessories.

Lost Property

Students are responsible for their uniform items. Clothing and belongings should be named. Students should check Lost Property (located on the western wall outside the staff room) if an item is misplaced or goes missing. Unlabelled items are donated or disposed of. The school accepts no responsibility for items not claimed at the end of each term.

Uniform Exemptions

Students who for any reason are unable wear the complete and correct uniform must have an email explanation, from their parents sent to their Class Teacher, House Group Teacher and/or Head of House.

If the correct uniform cannot be worn due to a medical condition, the student is required to have a medical certificate.

The parent/carer must contact the teacher before the student arrives at school. Some uniform items are available from Student Services for use, however, must be returned in clean condition within 3 days. Students who attend GMAS attired incorrectly on a consistent basis, without an acceptable explanation, will receive an appropriate sanction and may be removed from studies until the situation is rectified. Parents/Carers will be contacted and required to address the situation.

In matters of dispute regarding uniform appearance and hairstyles, the Principal's ruling will be final.
