A direct entry pathway to most Australian universities.	A clear alternative entry pathway to some Australian universities.	A clear alternative entry pathway to some Australian universities via a Uni Preparation course or Certificate IV attainment	A clear alternative entry pathway to some Australian universities	Pathway to TAFE or work readiness preparation for employment
A pathway to a broad range of tertiary options	Pathway to TAFE or work readiness preparation for employment	Pathway to TAFE or work readiness preparation for employment	Pathway to TAFE or work readiness preparation for employment	Develop industry specific skills and preparation of project-based learning portfolio
Depth and breadth of study and assumed knowledge	Eligible for School Based Apprenticeship/Traineeship	Eligible for the SW hospitals' GREaT Program	Develop industry specific skills	Eligible for School Based Apprenticeship/Traineeship
PERSONAL CHARACTERISTICS	PERSONAL CHARACTERISTICS	PERSONAL CHARACTERISTICS	PERSONAL CHARACTERISTICS	PERSONAL CHARACTERISTICS
I wish to achieve an ATAR	I would like to explore different careers, trades and opportunities	I have a genuine desire to help other people	I enjoy practical courses and learning in diverse 'real life' environments	I am practical, like to see the job completed and enjoy trying 'true to life' activities
I have clear goals to study at university	I manage diverse commitments outside of school (sport/work/community)	I am proactive and prepared to drive my career development. I have the will, I just need to learn the skills	I want to be successful in industry, am proactive and prepared to drive my career development.	I am hard working and able to take direction
I can maintain a high level of academic achievement	I take on teacher feedback and act on it to improve my learning	I have enjoyed subjects at school where I am able to be active in 'doing', 'creating' or 'showing' my learning	I am hard working and able to take direction	I am good at problem solving and collaborate well with my peers
I am prepared to complete three hours of study per night, six days a week	I have varied interests and usually one subject I am passionate about	I would like to explore different careers, trades and opportunities	I enjoy learning in a context that matches with my interests	I want to be successful in industry, am proactive and prepared to drive my career development
I enjoy working independently and can self-regulate	I will work hard to learn and am open to new ideas	I am focused, persistent and committed to succeeding in my career	I have the will; I just need to learn the skills	I am really motivated by completing projects that are important to me
I enjoy academic challenges	I like to show my learning in lots of different ways: discussion, writing, oral presentations	I enjoy learning in a context that matches with my interests	I am good at problem solving and collaborate well with my peers	I wish to gain a better understanding of the workplace
I can cope with 3-hour exams covering a whole year's work	I sometimes find that exams are not the best way for me to demonstrate how much I have learned	I am practical, like to see the job completed and enjoy trying 'true to life' activities	I wish to gain a better understanding of the workplace	I would like to explore different careers, trades and opportunities

QUALIFICATIONS DELIVERED THROUGH HEALTH SCIENCES HUB

Health Science Hub is a private RTO based in Perth, with a recently opened campus in Bunbury who have a pathway partnership with Murdoch University. They offer a wide range of VET qualifications with direct links to Murdoch University degrees. They are committed to providing students with up-to-date information, training, and assessment to ensure they are in the best position to move into the next phase of their lives. More information can be found at <https://healthsciencehub.com.au/>

COURSES DELIVERED ONLINE THROUGH CENTRAL QUEENSLAND UNIVERSITY'S SUN PROGRAM

SUN is a CQUniversity initiative that gives you the opportunity to study university-level units while in Years 11 and 12 at high school and possibly gain credit towards your WACE. SUN allows you to enrol in a range of CQUniversity units and after successfully completing study in SUN you may be eligible for direct entry into your course and credit towards your degree.

Areas of study include Aviation, Business and Accounting, Engineering, Health, Law, Music and Creative Arts, Nursing, Paramedical Science, Psychology and Social Work, Technology and Digital Media, Science and Environment and Transport and Safety Sciences.
